Subject: End of Life (EoL) Notification

Dear Telit Partner,

Due to the end of life of the Infineon E-Gold V3.1 Chipset, we are going to phase out the following product Part Numbers (P/N):

- **GM862-QUAD** (Telit P/N 3990250655)
- **GM862-QUAD-PY** (Telit P/N 3990250656)
- **GE863-QUAD** (Telit P/N 3990250653)
- **GE863-PY** (Telit P/N 3990250654)

Following the Telit product family concept and long-term commitment to our partners, we already introduced last year relevant product equivalents into the market, which are based on the Infineon E-Gold Lite Chipset. The product Part Numbers of the new products are:

- **GM862-QUAD** (Telit P/N 3990250659)
- **GM862-QUAD-PY** (Telit P/N 3990250658)
- **GE863-QUAD** (Telit P/N 3990250662)
- **GE863-PY** (Telit P/N 3990250661)

These products can be used on all outstanding productions and designs that are based on the above listed Telit products in EoL.

Comparison Table:

Family	Product Name	P/N EoL	Equivalent P/N
GM	GM862-QUAD	3990250655	3990250659
	GM862-QUAD-PY	3990250656	3990250658
GE	GE863-QUAD	3990250653	3990250662
	GE863-PY	3990250654	3990250661

The new products P/N, are offered at the same Terms and Conditions of the equivalent P/N, but also support additional features such as SIM Access Profile (SAP), Serial Port Multiplexer (CMUX, GSM 7.10) and others.

Orders for EoL Part Numbers will be accepted until June, 30th 2007.

Last Shipment for EoL Part Numbers will be shipped until September, 30th 2007.

Best regards.

Dominikus Hierl, President
Telit Communications SpA
